

ARAGON BALLROOM

1106 WEST LAWRENCE AVENUE • CHICAGO, ILLINOIS 60640

VENUE INFORMATION

It was designed to replicate a Spanish palace courtyard with its crystal chandeliers, mosaic tiles, garishly painted plaster, terra-cotta ceiling and beautiful arches. The shiny bent wood floor was created for dancing and rests on a cushion of cork, felt and springs. It appears to be a palace of illusions, where artificial stars twinkle overhead and projectors beam clouds scudding across the domed roof some 60 feet above the dance floor. Even the "wooden" beams located throughout the venue are make-believe (simulated from concrete).
